

FESTIVE JOY TO GIVE AWAY

We are MAAMIN, a team of young and creative people from Germany and Austria. We have joined forces to make ancient Jewish traditions available to modern people.

How does it work? We design, create and produce Hebrew equipment for everyday Jewish life. We combine Jewish tradition, the Hebrew language and modern life to create products that make people want to experience Jewish culture and make it easier to live and express being Jewish in everyday life.

Our products are thoroughly researched, well thought out and proven in everyday use – so that even the Rabbi will be amazed!

A happy celebration always requires a gift. At some Jewish festivals (Purim, Hanukkah, etc.) gifts are even obligatory (at least) for children!

Tikkun Olam

by promoting chagim

תִּיקּוּן עוֹלָם - the concept of world improvement (in Hebrew tikkun olam), is mentioned 3 times a day in the Alenu ("it is up to us"). This is the final prayer of the 3 daily prayers in Judaism. There this term occurs as לְתַקֵּן עוֹלָם (letakken olam), which means "to fix/repair the world", as an active act or process.

Our gift boxes for Jewish holidays can be a nice way of tikkun olam.

Gifts are a great way to delight loved ones with beautiful surprises that can encourage them to learn about Jewish events and use the gifts to participate in festive activities. The contents of the boxes can serve as a guide and the included components can provide the equipment needed to celebrate certain traditions.

Our carefully crafted boxes are designed with love and respect for Jewish tradition. We work with great dedication to translate the special meaning of the Jewish holidays into products that not only look beautiful, but are also useful in everyday life. Each element has been carefully selected to illustrate the background of the historical symbolism. The recipients are introduced to the practice of the traditions in an appealing way and are "accompanied" to a certain extent by the products in the boxes.

Our gift boxes not only save you the hassle of putting together gifts for the Jewish holidays, but also provide you with a high-quality and effectively packaged presentation of the respective Jewish concept. With these elaborately designed boxes, we want to ensure that the gifts bring joy to the recipient and at the same time convey a feeling of connection with Jewish traditions, both for beginners and advanced gift-givers.

Leave it to us to find the perfect gifts for your family and friends while you look forward to the next celebration with new unforgettable moments.
