We have developed megillot and workbooks ("Adventure Books" series) especially for the youngest members of the family, which are prepared in a child-friendly way and thus convey the stories and teachings of the Jewish holidays in a playful way. Each adventure book in this series has a matching megillah (see previous chapter). The quiz questions in the adventure books relate to the contents of the megillot.

The adventure books belonging to the megillot are also available as bundles for the respective holidays.

The adventure books contain one mitzvah per chapter with a practical task for everyday life and five quiz questions on the text of the megillah.

Available in the languages: GER, EN
GTIN: 4255769703341 (G0010)

The Torah Quiz Book contains questions on the original text of the Torah. The questions are aimed at technical knowledge of the text, such as names, places, terms and actions. The questions are deliberately formulated without interpretation and are designed to leave room for discussion.

The parashah reading plan is the ideal companion for the journey through the Torah, the Haftara and the Tehillim. It not only makes it easy to keep track of your reading progress, but also to stay informed about what is currently being read.

During the week, the passages from the Torah are read, on Shabbat the Haftara and the Tehillim are also read.
